Smooth Fusion™

All Smooth Fusion products are an advanced skin care line designed to heal problem skin conditions by using only the finest and certified organic and natural ingredients found in herbal and natural tradition. These products have been formulated by experienced herbalists from around the country who have spent years studying conditions such as these. We know that you will find these products to true, as many others already have!

Smooth Fusion has TWO exciting products for Men and Women. "Skin Regeneration Cream" and "Eczema, Psoriasis Salve" Both capture the curative powers of nature.

Directions:

Smooth Fusion skin regeneration cream is a highly concentrated product that is fast penetrating with a rich cream base. Just place a ample amount on your fingertips and rub into the needed area. The cream should penetrate your skin in less than few minutes.

For large areas, apply the cream over the entire surface and massage gently until the cream has penetrated. We recommend using twice a day. Apply liberally to affected area(s) as needed
